

THE DIOCESAN ASSEMBLY 2016 RESULTS

Two-hundred people from across the diocese gathered at the Pastoral Centre for the bi-annual Diocesan Assembly- The theme for this year was **EMBRACED by Our Father's Mercy**.

It was a beautiful time of gathering the different ministries in the diocese to: be inspired, reflect, and share.

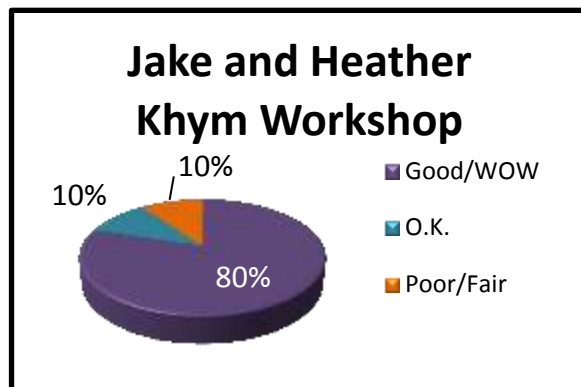

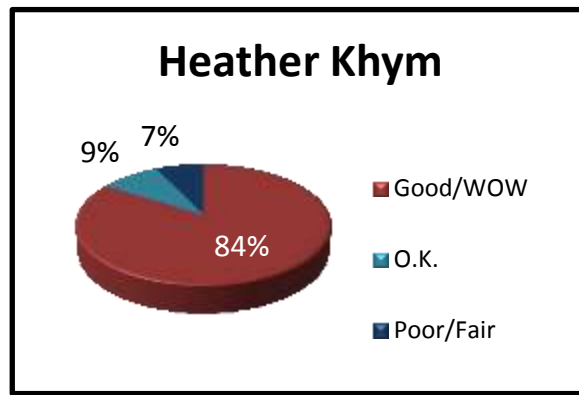

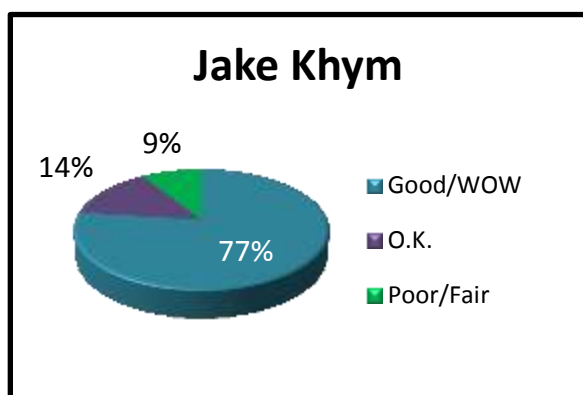

Our keynote speakers, Jake and Heather Khym, spoke of the Father's love, revealed to us by Jesus. That love that is sometimes hidden by life's experiences and our culture. They also gave a workshop testifying about serious struggles that they encountered early in their marriage, and how they overcame those obstacles with the help of the Father's heart of mercy.

Fr. Basil Burns gave a workshop on Pope Francis's ecological encyclical *Laudato Si*, which was a highly rated part of the assembly. CISPG sponsored a workshop to help teachers with the transition of the new curriculum. Friday morning there were presentations by: OEC, OYM, and CISPG, which were followed by a closing Mass with Bishop Jensen.

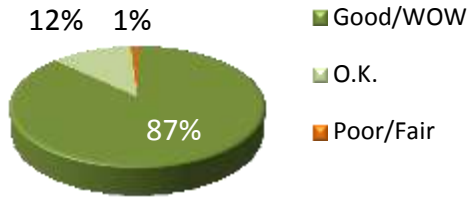

Thank you to all who sacrificed so much to come and gather as a diocesan family.
