Dear Brother Priests, Religious, My Sisters and Brothers,

With these few words I want to express personal and prayerful thanks to all of you for a superb Birthday and Retirement celebration on Saturday afternoon and evening. The Eucharistic celebration was precious and the evening celebration was simply a delight.

Thanks to everyone for making the effort to be present and participate; special thanks to those who were part of the planning and actual carrying out of the celebration.

Thank you! Thank you! Thank you!

Sincerely in our Lord,
