1. Rev. John Fitzgerald, O.M.I.

We received a message from the Oblates in Vancouver that Father John Fitzgerald was taken by ambulance to St. Paul's Hospital on Monday where he went into cardiac arrest and later underwent a procedure to remove the blockage in his heart. His condition is described as "very unstable". Father Fitz served in the Diocese of Prince George for several years, most recently as pastor of Immaculata Parish in Burns Lake until 1999.
