1. Diocesan Assembly – Message from Bishop Jensen

Please place the following message from Bishop Jensen in parish bulletins and make the attached Diocesan Assembly Information package available:

I look forward to being with members of the diocesan community at this year's Assembly.

Our time together is an opportunity to discern and plan the works that will make us more effective in the mission God calls His Church to serve in the 21st century. The extraordinary synod on the pastoral challenges facing family life which takes place in Rome this October offers a key direction for our work in the parishes and schools of the diocese.

Let us prayerfully prepare for the Assembly, asking God to make it a source of renewal for our local Church.

The Diocesan Assembly will be held this year from October 1-3rd at the Diocesan Pastoral Centre in Prince George. Information packages are available from your parish office or on the Diocesan website.
