

## Diocese of Prince George

### Policy for Mission Cooperation

#### Rationale:

The Diocese of Prince George benefits from the service of priests from religious communities and other dioceses. To recognize these partnerships and offer effective support to those who share our mission, the following policy has been approved, effective January 21, 2015.

#### Policy:

In each parish served by a religious community or priest on loan from another diocese which has a contract with the Diocese of Prince George, an annual collection will be taken to support the needs of the religious community or partner diocese. The Diocese of Prince George will match the amount raised by the parish collection.

#### Procedure:

In February of each year the parish will take a collection on a Sunday and forward the amount to the diocese, which will add its share and remit the funds to the religious order or partner diocese.

A handwritten signature in black ink, appearing to read "B. J. Moran", is written above a horizontal line.
