

The right to freedom of conscience is guaranteed to all Canadians under the Charter of Rights and Freedoms.

*Everyone has the following fundamental freedoms:
(a) freedom of conscience ...*

*Canadian Charter of
Rights and Freedoms*

As assisted suicide is introduced in Canada, the conscience rights of individuals and institutions must be protected.

The Government of Canada is now drafting assisted-suicide legislation. It is essential that the law include conscience protections to ensure that individuals who ethically cannot participate in assisted suicide suffer no harm to their career or any other form of discrimination.
