Support Conscience Rights

Today the federal government tabled the legislation on assisted suicide and euthanasia. We need your help to protect healthcare workers, facilities and vulnerable Canadians!

We are a coalition representing more than 110 healthcare facilities (with almost 18,000 care beds and 60,000 staff) and more than 5,000 physicians across Canada.

Our goal is to protect vulnerable people and ensure that conscience rights of healthcare practitioners and facilities are protected without discrimination. Right now the legislation does not protect conscience rights.

You still have time to make your voice heard – visit www.canadiansforconscience.ca to sign up and use our database to email your concerns to federal ministers, local MPs and provincial ministers.
