12. ****MEDICAL ASSISTANCE IN DYING (MAID) UPDATE:** Experts tell us that writing and sending petitions to one's Member of Parliament is an effective way to get our message across. We are told that the best we can hope for at this stage is that the Federal Government carry out further consultation. Given time constraints, electronic mail (rather than a written letter sent by regular mail) can also be effective. Deacon Larry Worthen of Halifax has provided a platform to reach one's Member of Parliament and has provided a sample online sample letter-petition:
