

# OUR GOAL \$200,000

## Small Community Parishes & Missions

**\$103,000**

The amount for parishes and missions in small communities increases this year, due to reduced funds from Catholic Missions in Canada

The amount has been reduced by more than 80% and has been allocated to some of our most vulnerable.

## Youth, Camps & Young Adults

**\$55,000**

Youth will receive 60% of last year's amount in order to maintain existing facilities and a reduced schedule of events.

## Catholic Independent Schools

**\$25,000**

Schools will receive 35% of the funds they received last year to help them by reducing administrative costs

## Evangelization & Formation

**\$7,000**
