Annual Diocesan Appeal Update

I am happy to report that we continue to make progress toward reaching the Diocesan goal as we hit 90% of the target. We also are pleased to see parishes continuing to grow the amounts to be rebated to them.

This week, Christ the King in Kitimat and Notre Dame in Dawson Creek crossed their parish goals and reached 115% and 104% respectively. Immaculata in Burns Lake and St. Andrew's in Fraser Lake also took big steps toward their goals. Well done!

I would like to remind parishes that, if they would like to help support the smaller parishes and missions of the Diocese, please give me a call. Fr. Chris is a little disappointed that no one has yet joined Immaculate Conception and reiterates his challenge to all the parishes that are doing so well.

Thank you yet again for all your support and prayers in this year's Appeal. We are grateful for everyone's contributions to the work of the Church throughout the Diocese and ask for your continued financial and spiritual support in this important task.
