Annual Diocesan Appeal Update

Thank you to everyone who continued to contribute to the Appeal this week, whether by contributions to our goal or through support in prayer. Your generosity is truly appreciated.

This week was a little quieter, but a few parishes continued to add to their rebate totals, and we managed to see a small increase in the Diocesan goal. Holy Cross in Tumbler Ridge took a big step toward their parish goal, as did Immaculata in Burns Lake, which was wonderful to see. We are pleased that 12 out of our 20 parishes have surpassed their parish goal and hope that the others will soon be able to meet it as well. Thank you again to everyone for your continued generosity and support.

We have received a few inquiries about how we can best help the smaller parishes and missions throughout the Diocese. If you have questions, please feel free to contact me at 250-964-4424 x2202 or email jfowlie@pgdiocese.bc.ca.

Free Online Presentation on Palliative Care

Palliative care helps people with serious illness to live as well as they can for as long as they can. But most people feel that palliative care is only something that is offered once there is “nothing more to be done” for their disease and means that death is close at hand. This presentation will provide knowledge of what palliative care is, its benefits, and how it can be accessed.

Using our polling tool, we will assess your understanding of palliative care and provide factual explanations and answer questions. You never know who you might help!
